### **Objectives of Course**

- 1) This Course focuses in detail on the political processes and the actual functioning of the political system.**
- 2) It simultaneously studies in detail the political structure both Constitutional and Administrative.**
- 3) It emphasizes on local influences that derive from social stratification of castes and from language, religion, ethic and economic determinants and critically assesses its impact on the political processes.**
- 4) the major contradictions of the Indian Political Process are to be critically analyzed along with an assessment of its relative success and failure in a comparative perspective with other developing countries and in particular those belonging to the South Asian region.**
