Management should conduct survey on the new teachers from students.

Taxation must be improved

1. have lab for experimental learning
2. weekly or daily activities have to take to improve various skills like presentation
3. field visiting opportunity is not occur

Is teaching very good

There are no any improvement  
All staff of BBA CA are excellent 🏆

NONE

Very good  
Very well  
Excellent performance

Effective teaching

1. There should be more use of ITC, lcd and projector to teach programming language.
- 2: There should be more conversation and understand between the teacher and student which is lacked in some cases

No any need of improvement

Encourage teachers to incorporate active learning techniques such as group discussions, problem-solving activities, and hands-on experiments into their lessons

Nothing to improve i like all teachers teaching

Do some regularity

Digital board required tv required

Good teacher staff and learning experience in my life

The staff is very helpful. Teacher's also. They are teaching very nicely and coordinate with all students.

Everything is satisfying no place to any complaint

Try to reach every student and ask for their doubt

They should talk with us very politely

Ok ok

teacher can take mock interview,

To well maintain computer lab

Very good teaching

Giving more examples

Practicing the pyq

Activities should given

1 . They need to focus more on practical teaching

2 . Arrange more and more guest lecturers of professionals from the same field

3 . Arrange Demo interview sessions so students will know how to prepare themselves before their placements

new languages like php is taught very fast by current teacher ,she teaches like its revision coding subjects should have experienced teachers like gore madam or rupali madam so that students can actually learn something instead of just coming to school for warming the benches

Good teaching

The lerning experience is very good I can understand everyting they are best teacher according to me

They have to work on sports also

Go deeper while teaching

Other Activities should be taken in college compared to the other university like dy patil

Please complete full syllabus before 1 month of exam

All this are satisfactory as per my view

Nothing

Change the teaching skills or

Change teaching staff

Good teaching, teachers are friendly behaviour with student, multiple opportunities to learn and growth.

Teaching is nice

No It is good I am understand very well

1. Regular lectures
2. Increase use of e-learning.
3. Work For Practical Knowledge In each Possible Subject.

Good benches, clean class, and need courier guidance by making us working on them for future good experience and for our skills to be developed

Encourage teachers to incorporate active learning techniques such as group discussions, problem-solving activities, case studies, and hands-on experiments into their lessons

The teaching of teachers is excellent and explained very well

Needed extra focus on students activities and performance

Just we want an good campus for our better feature

Overall improvement in teaching is good

1. limited use of technology in classroom  
Suggestion

1. Encourage teachers to incorporate more digital tools and multimedia resources into their lessons to enhance students engagement and interaction
2. fostering a positive and inclusive classroom environment can encourage participation and collaboration among students, leading to a more enriching educational experience

Please use new technology for teaching

On

I think, college should improve classroom and use projector while teaching

Teacher should also take students seminar, keep watch on every child

They teach very well but why not the syllabus is not completed and there is no time to complete it so they are very fast and then sometimes it takes a lot of time to understand.

All is good

Best experience

1. Not the proper management
2. late in completing tasks

A

Make use of tools like projector lcd laptops or tabs in effective teaching  
Improve quality of computer labs and as well as quality of teaching in labs  
Teachers should provide personal problem solving and guidance to the student

Teaching very well

Regular test

1. Little break after a certain point explained in class.

Desiplin

Study

Less writurn activity

Long

Hatt

Listening to students side of things and the trying to understand them

Classes should be regularly taken by teachers

Good and excellent

Institution should have uniform

More reseach activity should be perform

Learning is any questions and use any example to prepar to learning

Give a good teaching teacher for hard subject to knowing the syllabus, the teacher should

Giving notes

I have no idea

1. Prepare industrial visits.
2. Books should be given daily for study in the library.....There should be a certain day to take home only...
3. collage should take different events to showcase students skills..

Not one

### Take extra lectures

- 1.Should Try to provide internship opportunities for technical courses like BCS, BCA etc.
- 2.Teachers should teach well according to practical implementation of knowledge instead of providing important questions.
- 3.Management should be disciplined as they should give any updates on time and should not delay to give updates to students

1.Teachers must give assignments in the class rather than Google classroom. 2. teachers talk in Marathi, most of the students don't understand the concept taught in Marathi language . 3. Some of the subjects are not important to us like Marathi, environmental awareness,etc .

### Medium

Teacher-Student-Cooperation : For real education, teacher-student-relationship should be intimate. Cooperation requires unanimity of goals. If the student is eager to learn and the teacher is eager to teach, the two will work in harmony.
